Agriculture Exemption Policy:

The Board of Fire Commissioners defines the following policy on Agriculture Exemption.

PURPOSE: The purpose of this policy is to address any lands within the Quaker Springs Fire District #1 that are otherwise entitled to an agricultural exemption from certain real property taxes as more fully set forth in § 305 of the Agriculture and Markets Law and how they will be assessed for fire tax liability.

POLICY: For any property in the fire district that is assessed as agricultural, the agricultural assessed value will be used in calculating the fire tax liability for the property.
